

Feel the Gap!

As we end our third quarter, we take a hard look at where we are in our Stewardship Ministry. Last year, in our excitement over the new ministries we developed and progress we've made, and eager to become sustainable, the Parish Assembly set a challenging Stewardship Goal of \$125k. The good news is that we are $\frac{3}{4}$ through 2017 and we received over $\frac{3}{4}$ of that goal. The not so good news is that, even with the healthy increase in the number of stewards, our pledges total \$105k, which is only 84% of our goal.

It is still possible with 80 stewards
to hit or exceed the 100% mark by adjusting our pledges!

It is still possible for additional parishioners
to stand up and be counted as Stewards!

Considering the many blessing God has granted us,
with thanksgiving, let us fill the gap!
